

## OUR HISTORY

The Wabeno Area Players originated over 25 years ago under the direction of Nancy Volk. At that time the organization presented mainly summer-theater on the Wabeno High School stage, including such shows as *Steel Magnolias*, *Nunsense*, *Two by Two* and numerous plays.

Since 2014, the troupe has been performing a much extended calendar, including a revival of *Steel Magnolias* in November of 2015, *Nunsense Jamboree* and *Cemetery Club* in 2016, *Hallelujah Girls*, *And Miss Reardon Drinks a Little*, and *The Letter* in 2017, and *A Funny Little Thing Called Love*, *The Dastardly Dr. Devereaux*, and *A Deadly Habit* in 2018.

In 2016, the Players became a nonprofit organization that continues to grow because of generous tax deductible donations.

## MISSION STATEMENT

The mission of the Wabeno Area Players is to provide quality musical and theatrical experiences for the greater community.
