Welcome to the world of Wabeno Area Players (WAP). Founded over 40 years ago, WAP was created as a much-needed outlet whose purpose was cultural development and community involvement - all within the greater Forest, Langlade, Oneida, and Oconto County areas.

WAP's mission is to lead a culturally-diverse collective of local artists into providing a quality, accessible, and affordable theater arts experience. Our ultimate goal is four-fold: to entertain, to inspire, to educate, and to impact in a positive way.

But for the dream to continue, your help is needed. It takes dedication, time and resources to ensure high-quality productions. We invite you to be part of something special, and ask that you consider becoming a patron of the arts.
